# Everyday Sustainability

## Zrównoważony rozwój każdego dnia • Устойчивое развитие каждый день • Fenntartható fejlődés minden nap

We want to help build a world in which acting for the environment becomes an easy part of daily life. That's why we're creating products that are truly sustainable: they help reduce pollution, whilst being super-functional, affordable, and most importantly: they genuinely bring good into our lives, everyday.

Chcemy pomóc kształtać świat, w którym troska o środowisko staje się częścią naszego codziennego życia. Dlatego tworzymy w pełni zrównoważone produkty, które umożliwiają ograniczanie zanieczyszczenia środowiska, a jednocześnie są funkcjonalne, dostępne i – co najważniejsze – każdego dnia wnoszą coś dobrego do naszej codzienności.

Мы хотим помочь строить мир, в котором забота об окружающей среде становится нашей повседневностью. Поэтому мы создаем продукцию, которая действительно отвечает целям устойчивого развития: она помогает снизить загрязненность и, в то же время, является очень функциональной, доступной по цене, и самое главное: они действительно приносят добро в нашу жизнь каждый день.

Szeretnénk segíteni egy olyan világ megteremtésében, ahol a környezetét való cselekvés minden napjaink részévé válik. Ezért olyan termékeket hozunk létre, amelyek valóban fenntarthatóak: segítenek csökkenteni a környezetszenyezést, miközben rendkívül funkcionálisak, megfizethetőek, és ami a legfontosabb: valóban jót hoznak az életünkbe minden nap.

## Elodie, Rosalie, Claire Lines – 5 seater sets

With this unique design the consumer can choose between 2 configurations before he is going to build up the set. All needed parts are in the 3 seater sofa box to create the version with 2 sofa's and a chair + table.

Dzięki unikalnej konstrukcji klient, zanim zacznie budować zestaw, może wybrać między 2 konfiguracjami. Wszystkie potrzebne części do złożenia mebli w wersji 2 sofy + fotel + stolik znajdują się w kartonie zestawu z 3-osobową sofą.

Уникальный дизайн позволяет пользователю перед началом сборки выбрать один из вариантов итоговой конфигурации. Вместо 3-х местного дивана, можно собрать 2-х местную софу и кресло. Также в комплекте есть стол.

Az egyedi kialakításnak köszönhetően 2 lehetőség közül választhat mielőtt felállítja a szettet. Az összes szükséges alkatrész megtalálható a 3 személyes kanapé dobozában, amelyből készíthetünk két személyes kanapét és fotelt az asztallal együtt.

# Garden style

A modern garden is based on a combination of practical and aesthetic solutions. Thanks to them, you can create an orderly space that intrigues with its functionality and allows you to enjoy the beauty of the natural surroundings. Well thought-out form and sophisticated design of garden products: tool sheds, storage containers, wheelbarrows, toys, flowerpots and other accessories enable the fulfilment of many original garden arrangements.

Nowoczesny ogród bazuje na połączeniu praktycznych i zarazem estetycznych rozwiązań. To dzięki nim można stworzyć uporządkowaną przestrzeń, która intryguje swoją funkcjonalnością i pozwala w pełni cieszyć się pięknem naturalnego otoczenia. Przemyślana forma i wyszukane wzornictwo produktów ogrodowych: domków narzędziowych, schowków, taczek, zabawek, doniczek i innych akcesoriów pozwalają na realizację wielu oryginalnych aranżacji ogrodowych.
